HOW IT WORKS

At Honeymoon Dreams, we have come up with a great solution to replace the standard wedding gift registry, our Honeymoon Gift List. Instead of receiving household items that you may already have, or a cheque or cash, which people can often find quite impersonal, your guests can make a contribution to your honeymoon as a wedding gift.

Once you have booked your honeymoon with us you will have the ability to set up your own, personalised online honeymoon gift list where your friends and family can make a contribution as a gift for you and your partner on your wedding.

The money in your gift list can then be used to pay for your honeymoon along with any activities you might want to experience whilst away and much more. Honeymoon Dreams provides complimentary gift list cards which you can insert in your wedding invitations for your guests.

Once your honeymoon balance is due, we will use all the money in your gift list to help pay this off and any extra money or payments made after this will be transferred straight back to you.

SETTING UP YOUR GIFT LIST

To set up your gift list you will need your email address and customer number. These are the same details you use to log into the Honeymoon Planner. If you have not been provided these please contact your honeymoon specialist.

To log into your gift list either follow the links from the Honeymoon Planner or visit planner.honeymoondreams.co.uk/giftlist.

The screenshot shows two main sections: 'CLIENT LOGIN' and 'GUEST CONTRIBUTION'. The 'CLIENT LOGIN' section has fields for 'E-Mail Address' and 'Customer Number', with a 'Sign In' button below. The 'GUEST CONTRIBUTION' section has a 'Gift List Number' field and an 'Access Gift List' button.

YOUR DETAILS

The first time you log into the gift list you will need to enter your details to set it up. Firstly, you must enter your and your partner's names and enter an introduction that your contributors will see when they access your gift list.

Your welcome message can be anything you want to say. We have had clients include poems or songs in this section

The screenshot shows the 'YOUR DETAILS' section. It includes a 'YOUR GIFT LIST' section with fields for 'Name 1*', 'Name 2*', and 'Gift List Title*', and a 'Guest Welcome Message' text area. To the right is the 'YOUR CONTRIBUTIONS' table with columns 'Name', 'Date', and 'Amount', showing a 'Total' of '£0.00'. Below that is the 'YOUR MESSAGES' section with the text 'Messages on your Gift List will appear below:'. A 'Next' button is at the bottom right.

ADDING PHOTOS

The next stage is to upload photos to your gift list. These can be of you and your partner, the destination or hotel you are travelling to or anything else. Make sure you have pressed the upload button once you have chosen your photos. You can upload a maximum of 5 photos and they must be no larger than 5mb.

If you find that your images are too large to upload just search 'Compress Images' on Google. There are many websites that will reduce the size of images for you.

The screenshot shows the 'ADDING PHOTOS' section. It has a header 'YOUR GIFT LIST' and a sub-header 'YOUR CONTRIBUTIONS'. Below is the 'Image Upload' section with instructions: 'Please upload at least one of both of you or your honeymoon destinations for your guests to view. You may upload up to 5 photos, each 5MB or less.' It includes a 'Previously uploaded pictures, click on a pictures to remove it from the list:' section with three image thumbnails and 'Cancel' buttons. There are 'Select files' and 'Upload' buttons at the top, and 'Back' and 'Next' buttons at the bottom.

ADDING ITEMS TO YOUR LIST

The final stage of setting up your gift list is to decide whether you would like to add items to your gift list that guests can gift to you rather than a monetary amount. You do not have to add any items if you do not want to, just click 'Complete' if you would not like to.

These items could be something fun to do on your honeymoon e.g. an excursion, airport lounge, meal out etc. They can also be any household item you would like to add to your list as you would add to a normal wedding gift list. If you would like a list of excursions or experiences you may want to add to your gift List please contact aftersales@honeymoondreams.co.uk

The screenshot shows the 'ADDING ITEMS TO YOUR LIST' section. It has a header 'YOUR GIFT LIST' and a sub-header 'YOUR CONTRIBUTIONS'. Below is the 'Add Items' section with instructions: 'Add excursions or products for your guests to buy rather than contribute a cash amount to your honeymoon. Please email aftersales@honeymoondreams.co.uk for a full list of excursions and experiences available to you.' It includes a table with columns 'Item', 'Amount', and 'Add'. The table lists: 'Desert Safari' (£100.00), 'Airport Lounge (Outbound)' (£60.00), 'New Suitcase' (£65.00), and 'Dinner on the Beach' (£150.00). There are 'Back' and 'Complete' buttons at the bottom.

VIEWING AND EDITING YOUR GIFT LIST

Once you have gone through all the previous steps to create your gift list, you will find yourself at the gift list home screen below. This is also where you will go to when you log into your gift list in the future. On the home screen you can request gift list cards, go back and edit any of the details of your gift list, see all the contributions and messages your friends and family have left and eventually close your gift list.

We will automatically use any contributions to your gift list to pay the remaining balance of your honeymoon once this is due. Any contributions made after this will be transferred directly back to you when you choose to close your gift list.

In order to close your gift list please click 'Close This Giftlist' on your gift list home page. Your gift list will then be closed so guests will no longer be able to contribute. We will contact you to arrange all remaining gift list funds are transferred back to you.

We normally recommend couples to keep their gift list open until at least a week or so after their marriage as guests often do not contribute until this time.

FREQUENTLY ASKED QUESTIONS

When should we set up our gift list?

As soon as you have booked your honeymoon with us you will be able to set up your honeymoon gift list.

When will I receive the contributions and how?

When your remaining honeymoon balance is due, we will deduct all your contributions from this automatically. If you wish to go ahead with any experiences your guests have contributed or book any other ones, we can use your gift list balance for this also. If you receive any payments after your honeymoon balance has been paid, we will then arrange a refund for extra payments and you can use the money to enjoy your honeymoon and happily married life!

When should I close my gift list?

You can choose a time whenever is best for you to close your gift list. We normally recommend couples keep their gift lists open until at least a week or two after their wedding as we often find that guests will sometimes leave it until this time to contribute.

What gift items can I add to my gift list?

This generally depends on where your travelling and what excursions or experiences are available there. They can include things such as tours or romantic dinners, spa treatments or anything interesting you may want to do. Our honeymoon concierge can help you put together some upgrade options that you can add to your gift list, as well, such as airport lounges, or flight or room upgrades.

Our honeymoon gift list is completely flexible so you can also add any item to it. You can choose any item to add such as household goods to make your gift list more similar to a traditional wedding gift registry.

Can you recommend any experiences to add to my gift list?

Please email aftersales@honeymoondreams.co.uk and one of our honeymoon concierge team will go through the experiences, excursions and add-ons for your chosen destinations which you will be able to add to your honeymoon gift list if like.

How can we make the experiences more affordable for our guests?

We often have couples that will break experiences down into smaller sections or add them as a cost per person to offer lower price items on their list.

How can we make our gift list unique?

You can add photos of you and your partner or the destination you are visiting and also add a message to your guest on your honeymoon gift list.

How much do guests normally contribute?

Your wedding guests are able to contribute any amount with our gift list. It completely depends on your guests relationship to you and the part they are playing in the wedding. On average, the majority of gift list contributions we receive are between £50 - £100.

How can we be sure that our money is safe?

All payments made to a honeymoon gift list, whether online or over the phone will pass through our secure online payment gateway. All gift list payments are treated the same as balance payments so are protected with the ATOL we hold for package honeymoons booked with us.

I have forgotten my login details, how can I get them?

When you log in you will see where it says 'Re-send my sign-in details' below the login panel. If you click this it will resend your login details to your email address. If you would like to change the email address that is associated with your account on the Honeymoon Planner and your gift list, please email aftersales@honeymoondreams.co.uk and somebody will be able to help you.

How do we let our friends and family know about our honeymoon gift list?

When you have set up your gift list and you log in, you will find the link to your public gift list page. You can use this link on any emails or websites you have set up for your wedding or share it on social media. You can also use the 'Share' button at the top right of your gift list page which will automatically share your page on social media.

Alternatively, we can also provide you with complimentary gift list cards which will provide the link and your gift list number. These can then be put into your wedding invites. You can request your gift list cards through your gift list home screen.
